

VANCOUVER & WHISTLER

WHISTLER PROGRAMS

Whistler is a world-renowned destination. It has breath-taking lakes, hiking trails, and gorgeous mountains capped with dazzling white snow even in the summer months. Students in this program will ride the Whistler Gondola up in the mountains and go horseback riding, canoeing and golfing. While in Whistler, students stay at a local resort lodge.

English lessons are accentuated by presentations, projects and the encouragement of public speaking. Both indoors and outdoors, the Whistler Programs aims to strengthen and develop the students' leadership skills.
