

# VANCOUVER

## PROGRAMS AT UBC

Vancouver welcomes all ethnicities and thrives in cultural appreciation and acceptance. This stimulates the sharing of knowledge, creativity and tradition. We carefully design our English curriculum and extracurricular activities with a theme of Celebrating Diversity.

In our Programs at UBC, we emphasize the development of a positive global perspective among young people. Students will learn that today, people of the world are more closely connected and must be kind to one another. They will experience firsthand how, in a multi-ethnic, multi-cultural city like Vancouver, people with different backgrounds can live together with appreciation and kindness.
